Cremorne Community Health Centre | Proposed Relocation of Services

Dear Mr Hayes,

I write in accordance with Clause 35 Workforce Review of the *Health Employees Conditions of Employment (State) Award* to notify you that a decision has been made to relocate staff working within the Cremorne Community Health Building. The requirement for this move relates to ongoing concerns regarding the physical condition and amenity of the Community Health Building.
The Cremorne Community Health Centre currently has two services operating from this location:

1) Multicultural Health Services with 4 employees located at Cremorne.
2) Intellectual Disability Health Program with 5 employees located at Cremorne.

Six of these employees are covered by the Health Employees Conditions of Employment (State) Award.

We are currently in the planning stages and welcome consultation with your members. When a suitable location/s is determined, we will provide appropriate notice to all stakeholders. At present we are working towards developing a transition strategy for possible implementation in December 2020 to January 2021 timeline.

If the Union or your members have any questions about this matter, please feel free to contact me via Telephone 9462 9531 or Email: Anne.Lunnon@health.nsw.gov.au . Alternatively, you may wish to contact Sarah Eldridge-Smith, People and Culture Manager – HR Business Partners via Mobile 0407 768 740 or Email Sarah.EldridgeSmith@health.nsw.gov.au .

Yours sincerely,
