Sydney NSW 2000

Email: secretary@hsu.asn.au

Dear Mr Hayes,

Initial positions for transition to Central Acute Services Building (CASB)

I write to formally inform the Health Services Union NSW/ACT of the recruitment to the initial critical roles for the "Go Live" of Westmead Hospital CASB.

As we plan for the move into the CASB in the new year a prioritised list of recruitment to critical roles has been finalised. Positions have been identified for clinical and support services in the Emergency Department, Theatres, CERS/ALS and Cardiology. Following the commencement of the initial frontline clinical and support service positions, a staged recruitment will occur in order of priority with staggered proposed commencement dates to ensure appropriate training and orientation is provided to staff.

A fast tracked recruitment process that is consistent with Ministry of Health Policy and Award provisions has been approved and a process to utilise all current eligibility lists for identified priority positions will commence.

You are invited to comment or provide feedback on the attached list via WSLHD-WAGM@health.nsw.gov.au by **5pm Friday 27 November 2020**.

Should you wish to discuss this matter further, please contact me on 02 8890 4444.

Yours sincerely

Rebecca Tyson
