Dear Mr Hayes

Changes Impacting Staff at Nepean Blue Mountains Local Health District

In a letter dated 16 June 2022, I advised the Health Services Union (HSU) that Nepean Blue Mountains Local Health District (NBMLHD) had recently undergone an organisational review.

In this review, it was noted that several staff had been deemed 'affected' staff members for a considerable length of time. Following the review, it has been determined that these staff are to now be declared 'excess' under the *NSW Health Managing Excess Staff of the NSW Health Service* policy.

Two voluntary redundancies were offered and accepted in June following our original letter. NBMLHD will now open up discussions on voluntary redundancy options with two further staff members.

Positions to be impacted include:

- Administrative Officer Level 2 – Salary Packaging Officer
- Health Manager Level 4 – Integrated Care Coordinator

Discussions have commenced with the substantive owners of these positions.

If you require further information, please contact Jill Mutton, Manager Workforce Projects and Policy at Jill.Mutton@health.nsw.gov.au.

Yours sincerely

Jacqui Clark
Director People and Culture
Nepean Blue Mountains Local Health District
