

Health Education Officers August Update

Dear Member,

In the last two months, fantastic and committed Health Education Officers across the state have convened to commence the important and difficult work of improving your workplace conditions. Unfortunately, the Committee has been delayed in progress because we have not reached quorum yet, it's crucial that we have any interested members attend so we can progress the crucial work of the Committee.

- Improve the industrial conditions HSU HEO members experience.
- Research and develop proposals for award reform in relation to HEO's.
- Consider and endorse campaigns and cases which will benefit the collective membership of HEO's.
- Advance the professional standing of members.

Unfortunately, the meeting could not endorse the above steps because we did not reach quorum. We cannot proceed until we have enough members attending the Committee. We are seeking expressions of interest for HSU members to join the Committee so we can start the important work outlined above. Please send an expression of interest to the email below if you'd like to join.

If there is a collective issue impacting HEO that you'd like the Committee to explore or issues you'd like placed on the agenda for the next Committee meeting, please contact HSU Industrial Officer Blake Adair-Roberts on Blake.adair-roberts@hsu.asn.au

Not a member of the HSU? Now is time to join and have your say! You can join online at www.hsu.asn.au/join or call 1300 HSU NSW and join over the phone.

A union's effectiveness and negotiation power depends on the strength and density of its membership base. Join your work colleagues today by becoming a member of the Health Services Union and help us continue to protect and improve your working life.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
