

PETITION

**To the Honourable the Speaker and Members of the
Legislative Assembly of New South Wales.**

The Petition of residents and visitors of New South Wales brings to the attention of the House that the Baird Government has allowed NSW Ambulance Paramedic Death and Disability protections to be reduced by up to 85%. The paramedic protections are currently around 25% of what the Baird Government is providing NSW Police. The undersigned petitioners therefore ask the Legislative Assembly to legislate to restore NSW Ambulance Paramedic Protections to previous levels, or alternatively provide protections to the same or better levels than NSW Police.
