Dear Mr Kearns

Re: Northern NSW Local Health District Recruitment Unit Redesign

I write further to my correspondence of 23 March 2022 in which I provided preliminary communication regarding a review process of NNSWLHD Recruitment Services which has recommended a range of restructure actions.

We have now finalised an Implementation Plan which has been approved by the Chief Executive. Consequently, we are now in a position to commence a formal consultation process with our Recruitment staff and the Health Services Union.

Attached is the current and proposed organisational chart for the Recruitment Unit. This identifies that there are four permanent staff members who will be affected. There is also one staff member who has been on extended temporary contract who will be impacted.

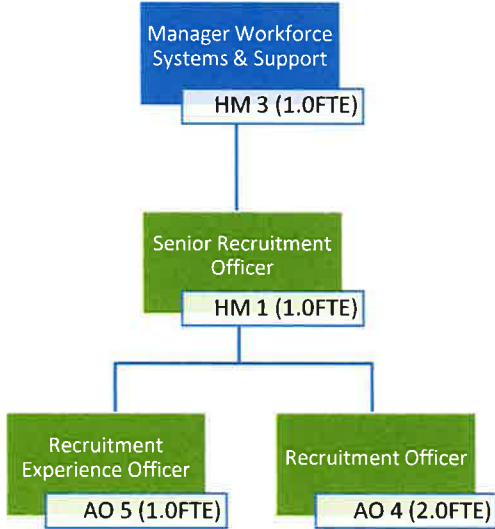

We intend to commence a formal communications process with the Recruitment Unit staff in the week commencing 8 August 2022. I would like to schedule a meeting also with you in the week commencing 8 August 2022 to further outline and discuss the restructure actions, including consideration of any feedback from the HSU and members.

In the meantime, should you have any immediate queries or feedback, please don't hesitate to contact me.

Yours sincerely

Richard Buss
Director Workforce
