Dear Mr Hayes

**Completion of Consultation Process
People and Culture - Proposed Employee Services Restructure**

Following my previous letter dated 5 May 2021, which outlined the rationale for the restructure, and the option for union specific consultation meeting during a period of formal consultation, I am writing to inform you that there have been no issues or questions raised with me.

I have now advised our Chief Executive, Deborah Willcox of this stage of the process and received her further approval to proceed with the restructure. We will now proceed towards making the necessary changes.

If you would like more information please contact Paula Williscroft, Director People and Culture - Paula.Williscroft@health.nsw.gov.au or 9467 9972.

Yours sincerely

Paula Williscroft
Director People and Culture
