Dear Mr Hayes,

**RE: Proposed temporary structure change within the Chief Financial Officer/Director of Corporate Services division**

I am writing to provide you with some information regarding a proposed temporary structure change within the Chief Financial Officer/Director of Corporate Services division. In providing you with this information, I am mindful of the consultation provisions with the relevant Enterprise Agreement.

I have attached a copy of the existing and proposed structure which outlines the proposed changes. The changes are being put in place are to enable the division to continue to discharge its responsibilities by redistribution of the functions across the different sub-units and creates further opportunities for staff progression. I would reiterate this is temporary changes put in place whilst key team leader/management staff are on secondment to the ACT Government.

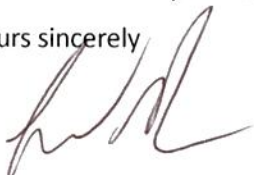

The staff will remain in their existing accommodation on the Calvary Public Hospital Bruce campus, therefore staff are not required to change location. The major change is the reporting lines commensurate with redistribution of functions for the Senior Managers of these two sections reporting directly to the Chief Financial Officer/Director of Corporate Services.

Consultation with affected staff will occur as we look to finalise the temporary change.

As part of the consultation process, I invite you to provide any feedback or questions about the proposed change directly to me ([Jarrad.nuss@calvary-act.com.au](mailto:Jarrad.nuss@calvary-act.com.au)). Alternatively, if you wish to meet in person to discuss this issue further then I will be happy to meet with you. Please contact Kanta Toraskar on 6201 6101 to arrange a suitable date/time.

I look forward to your response and contribution to this consultation process.

Yours sincerely

Jarrad Nuss
