Dear Gerard

Re: Concept for Workforce Consultation

I write in relation to an identified opportunity to realign some of our workforce within the Workforce and Culture Directorate, Central Coast Local Health District to support delivery of agreed business as usual and strategic objectives.

The attached business case provides details on the opportunity identified and background and also details roles that may be affected as a result of the proposed changes.

We are beginning our consultation with staff this week and I have attached a copy of the following documentation for your consideration;

- Draft Business Case for workforce consultation
- Current and Proposed Organisational Charts
- New, changed and deleted positions spreadsheet
- Role descriptions (to follow within the next 2 days)

I welcome your feedback on the enclosed documentation by Monday, 28 September 2020. To facilitate this I am tentatively scheduling a Union Specific Consultation Committee meeting via Skype on Tuesday, 22 September at 3.30 pm.

If you have any questions in relation to this matter, please contact me on 02 4320 3814, or by email to sandra.creaner@health.nsw.gov.au.

Yours sincerely
