Dear Mr Hayes,

Innovation & Improvement Department Restructure

We write to advise that St Vincent's Hospital Sydney (**SVHS**) will shortly be commencing a restructure of the Innovation & Improvement Department.

The Innovation & Improvement Directorate was borne out of a need for organisation wide change programs at SVHS with the aim of creating an increased focus for change. The Directorate has grown significantly since June 2020, and to ensure it is able to meet the needs of its growing responsibilities, four functional units are proposed in the directorate.

The proposed start date for the new structure is 8 March 2021.

Benefits of the new structure

The creation of the four units will allow for more timely engagement on key priorities and allow enhanced transparency to the Director of Innovation and Improvement and to the greater organisation on the status of key priorities and initiatives.

Subsequent to the above, we wish to consult with you over this restructure.

Consultation Meeting

Day: Tuesday 16 February 2021

Time: 11.30 am

Location: to be conducted via Teams. Invite with meeting details to follow.

Yours sincerely

Sandra Sweeney

Deputy Director People and Culture St Vincent's Hospital Sydney
