Dear Mr Hall

Update on enforcement of parking restrictions around Blacktown and Mount Druitt hospitals

I would like to provide you with an update regarding the above matter.

As you are aware we have not enforced any time restrictions in carparks or on street parking (green parking signs) in the streets around Blacktown and Mount Druitt hospitals since April 2020.

Whilst we are totally supportive and appreciative of the efforts of our healthcare workers during the Covid19 pandemic we believe the residents in these areas have also made their contribution during this difficult time by forgoing their normal parking availability during this period.

We believe now is the time, in line with the current Government mandates to revert to our normal enforcement activities in these areas.

Please be advised enforcement of all parking restrictions in these areas will recommence as of Monday 9 May 2022.

If you would like to discuss this matter further, please contact our Acting Manager Community Law Enforcement and Waste, Mr Gerard Cobcroft on 9839 6118.

Yours faithfully

Kerry Robinson OAM
