Dear Mr Hayes

Re: Events Manager/Website Administrator Change

I am writing to advise Mid North Coast Local Health District (MNCLHD) has commenced consultation regarding the following change within the Integrated Multi Media Unit.

The existing Permanent Full-Time position of 'Events Manager/Website Administrator' will be renamed 'Digital Producer - Website Administrator' and be regraded from a Health Manager Level 2 to a Health Manager Level 3. The position will be established as 0.8FTE.

The proposed change will have an impact on the substantive incumbent. Discussions have recently commenced with the incumbent who is currently in a 2 year secondment position in another Directorate.

The consultation period will conclude on Tuesday 30 December. Feedback should be sent to Vanessa Edwards via vanessa.edwards@health.nsw.gov.au We anticipate that the new position will be in place by January 2022.

If you would like to discuss the matter, please contact me on (02) 6589 2304

Yours sincerely

Vanessa Edwards
Director Communications & Strategy
