Dear Mr Hayes

Re: Proposed creation of a new leadership position – Patient Quality Safety Department, Royal Prince Alfred (RPA) Hospital

A review of the current leadership and structure of the RPA Patient Safety Quality department has been undertaken. As part of this review it is proposed a new position of Director Clinical Governance and Risk is created to take overall strategic and operational leadership of the service. The proposed change will impact reporting lines of the existing staff however there are no other proposed changes for those roles.

Your comments and feedback are welcome, and would be appreciated within two weeks from the date of this correspondence. Alternatively, if you would like to meet to discuss the proposed new position, or have any questions, please contact Ms Elaine Mills, Workforce Manager RPA, at Elaine.Mills@health.nsw.gov.au or on (02) 9515 9535.

Yours sincerely

Kiel Harvey
General Manager
Royal Prince Alfred Hospital
