Video message from Gerard Hayes re paramedic pay

Media attention in the last 24 hours has shown NSW the Minns Government's atrocious treatment of NSW paramedics.

NSW paramedics are still the lowest paid, highest injured, with a wage decades behind what it should be. We must stop the drain of paramedics to other states before NSW no longer has a functioning ambulance service.

These next few weeks are the peak of our campaign. A stop work meeting will be held at 0700 tomorrow morning. Come along for essential campaign updates and to ensure your voice is heard. A link to the zoom will be sent via text later this evening.

The media is listening to ADHSU paramedics. Why isn't Chris Minns?
