## ADHSU: Outcome of this morning's stop work meeting

Dear member,

ADHSU members met this morning and placed the following bans and actions on (commencing immediately):

*ADHSU members are professionals and are authorised to exempt any individual patient from the below actions to avoid undue suffering or an adverse outcome.*

### **Maintenance of rosters**

Shift movement bans. No ADHSU member will agree to be moved away from their usual place of work to fill a roster vacancy unless it is established overtime has been exhausted at the destination (ADHSU members will deem OT to be exhausted after the service uses all efforts to bring in a replacement on OT for at least one hour).

These bans do not include fluid deployment or area coverage. Members can politely request a plan to return to their home station if Control moves them to another location – if there is no plan, the member does not need to move.

### **Pay increase/back pay**

Debtor details – ADHSU members will use 'Daniel Mookhey, 52 Martin Place Sydney 2000' in the billing/debtor fields on eMR or PHCRs.

### **Non-industrial action – breach of uniform policy**

ADHSU (registered) paramedics will wear the ADHSU yellow shield in place of the NSW paramedic shield.

NSWA has taken ADHSU to the IRC regarding the above – the initial hearing is scheduled for 1200 today. Members will be kept up to date with any developments.

In unity,

Gerard Hayes  
Secretary, HSU NSW/ACT/QLD
