Dear Mr Hayes

I'm writing as follow-up to a previous letter dated 14 September 2023 regarding proposed changes to the structures of the Business Units within Population Health, South Western Sydney Local Health District (SWSLHD) which have the potential to directly affect your members.

We undertook completed the virtual consultation meetings on 15th and 19th September 2023 where employees had the opportunity to voice their thoughts and concerns, in line with the consultative provisions of the Health Employees Conditions of Employment (State) Award and Public Hospitals (Professional and Associated Staff) Conditions of Employment (State) Award. We extended that invitation for an HSU representative to attend. However, I understand that the Union may have additional feedback regarding the Operational Framework. I kindly request you to send me any feedback by **COB 5 October 2023**.

If you would like to discuss the proposed changes further, please contact either myself (this week) via mitchell.smith1@health.nsw.gov.au or Mandy Williams by email mandy.williams@health.nsw.gov.au or by phone 8738 5718.

Yours sincerely

Dr Mitchell Smith
A/Director Population Health
