Re: Restructure Consultation Paper Strategy, Innovation & Improvement and Digital Health

Dear Mr Hayes

I am writing to provide you with a copy of a restructuring proposal that affects staff in positions represented by the Health Services Union (HSU). This restructure proposal is to bring together the directorates of Strategy, Innovation and Improvement and Digital Health for a two-year period while the Director of Digital Health is on secondment.

The proposal was released to the relevant position holders on 17 May 2024.

I confirm that in accordance with clause 35 of the Health Employees' Conditions of Employment (State) Award, genuine consultation will occur with respect to the proposed changes.

Please provide all written feedback and comments by close of business 7 June 2024 to Ms Lisa Altman, Director Strategy, Innovation & Improvement by email to Lisa.Altman@health.nsw.gov.au.

South Eastern Sydney Local Health District representatives are available to meet with local officials to discuss the proposal. Should this be required please have the relevant official advise Sally Gummer, Lead Human Resources Business Partner, People and Culture by email to Sally.Gummer@health.nsw.gov.au of their availability to meet, the names of the union attendees and the specific concerns for discussion by 31 May 2024.

Should you require any further information in relation to this matter, please do not hesitate to contact Sally Gummer via email.

Yours sincerely

Lisa Altman
Director, Strategy, Innovation & Improvement
