Re: Realignment of Medical Imaging, Nuclear Medicine & PET Department administrative staff

Dear Mr Hayes,

I write to advise the Union and its members of the proposal to realign the administrative component of the Medical Imaging, Nuclear Medicine & PET services within Nepean Blue Mountains Local Health District (NBMLHD).

The proposed changes will establish clear leadership for administrative functions and will improve operational capability and efficiency within the Medical Imaging, Nuclear Medicine & PET Departments.

There will be no adverse effects or job loss to any staff with the proposed changes.

The realignment will provide opportunity for staff development and succession with the introduction of additional positions.

Current and proposed organisational charts are enclosed herewith for your information and reference.

NBMLHD has commenced a consultative process with staff regarding the proposed changes and welcomes any feedback from the HSU and its members by close of business on **30 October 2023**.

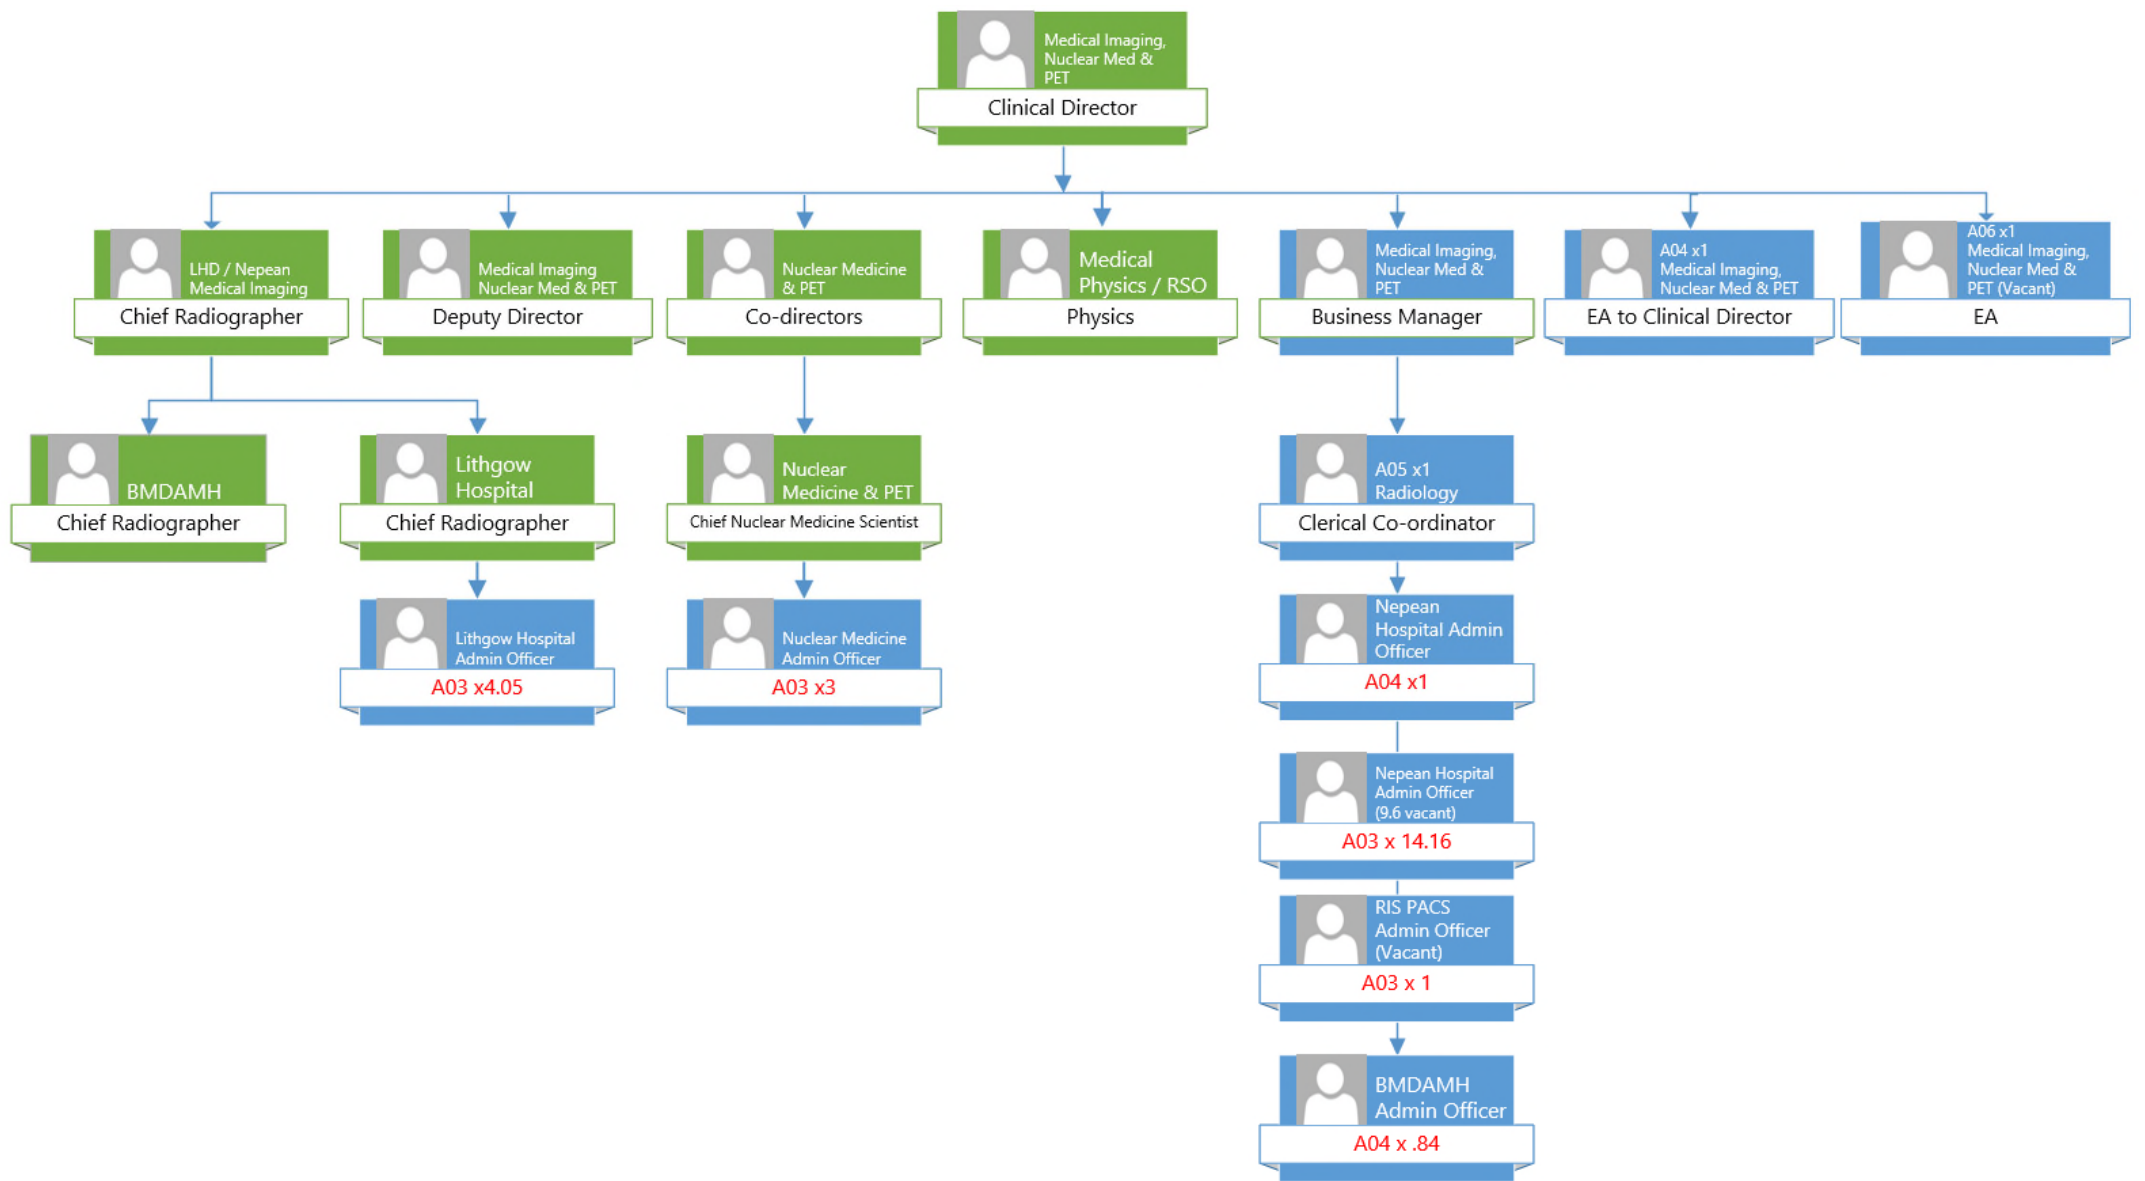

If you have any questions or wish to discuss this matter further, please contact David Holmes, Manager Industrial / Employee Relations via David.Holmes@health.nsw.gov.au.

Yours sincerely,

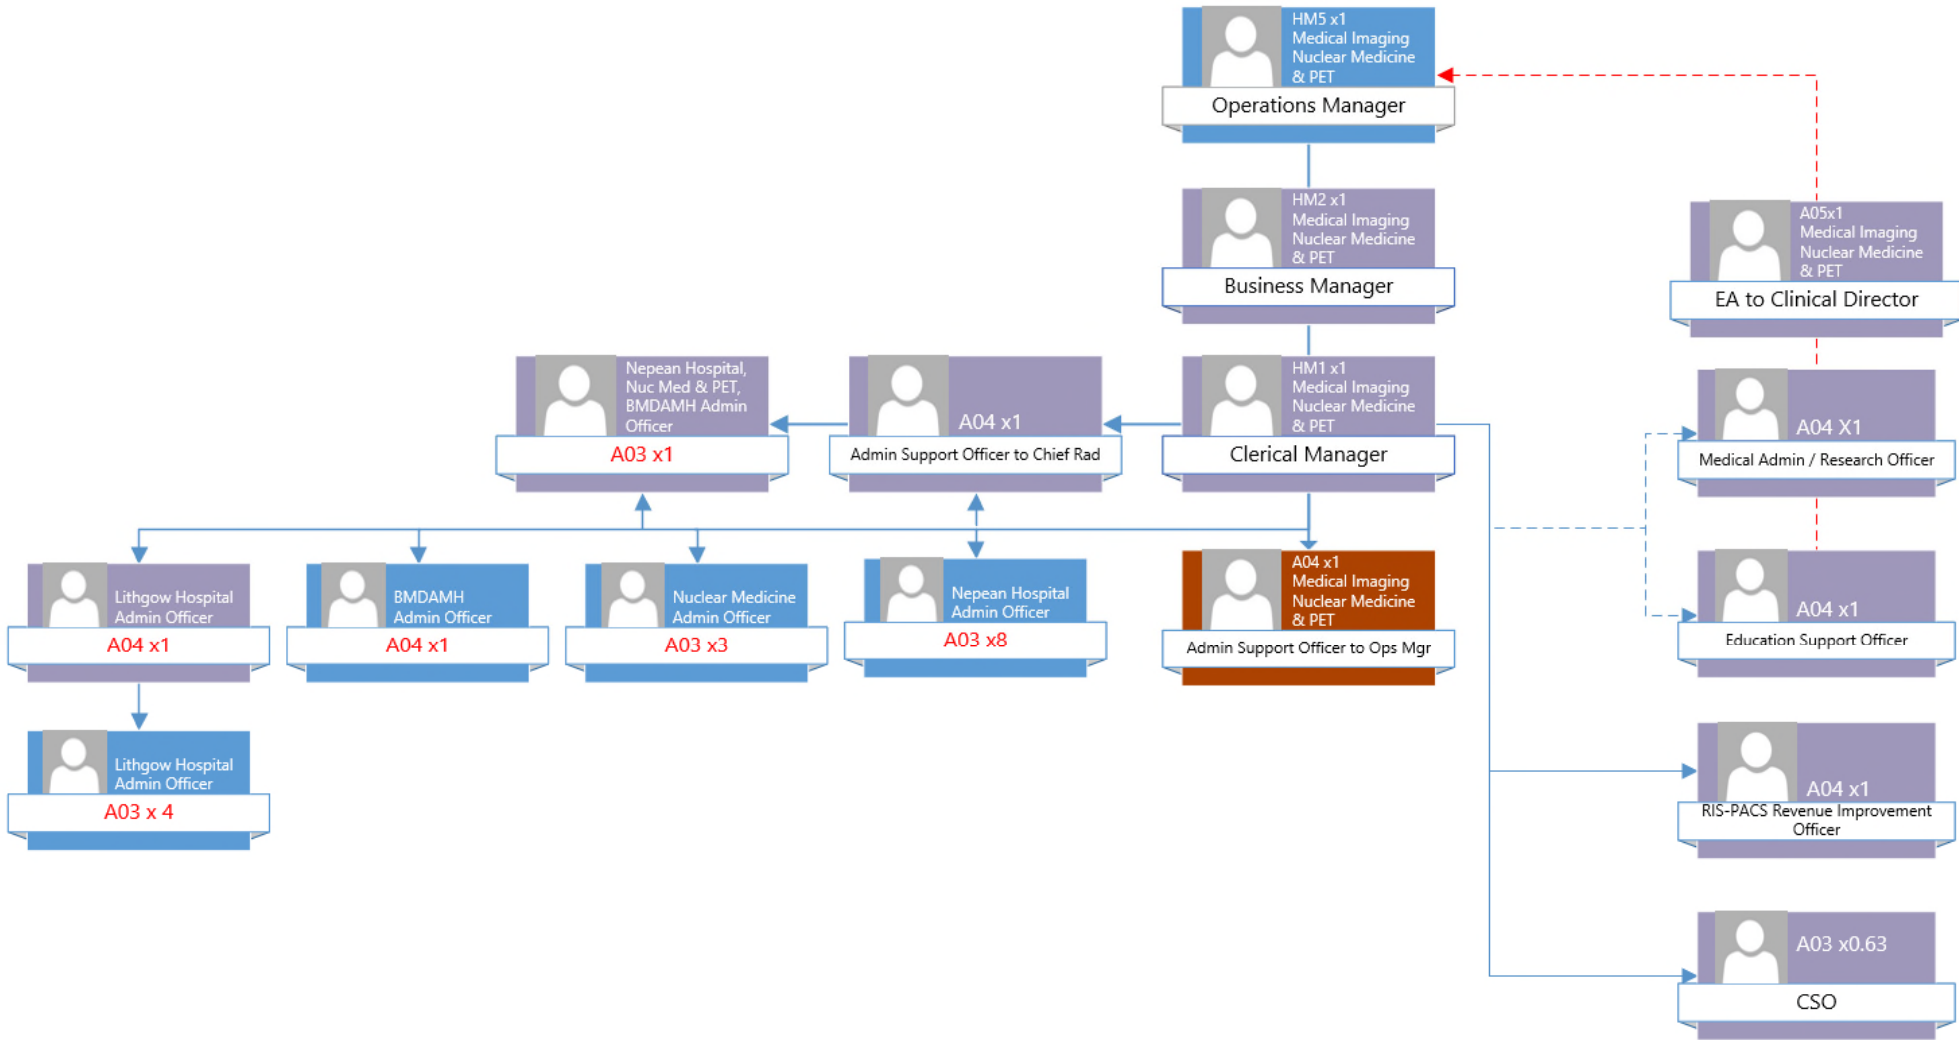

Peta Fedeli
A/Director, People & Culture
