## **Other Requirements**

(Note this section is standard across SNSWLHD and is not to be changed or edited)

Southern NSW Local Health District is committed to providing a patient centred environment focusing on all aspects of patient safety and quality. Each employee has a responsibility to ensure the highest standard of quality care. Role and responsibilities are to be performed in a manner that is in accordance with relevant legislation, awards, state and local policies, procedures and guidelines.

All employees contribute to a constructive workplace culture and a safe workplace by modelling the organisation's CORE values of Collaboration, Openness, Respect and Empowerment (CORE) and ensuring all workplace conduct aligns with the behaviours associated with those values and the NSW Health Code of Conduct.

All employees participate in the performance development and review process for own professional/personal development and to identify educational and development needs.

All employees are required to identify, assess, eliminate/control and monitor hazards and risks within the workplace, to the extent of delegated authority for the role, as per Work Health and Safety legislation.

Lifting our people and performance to provide high quality support and care
