Dear Mr Hayes

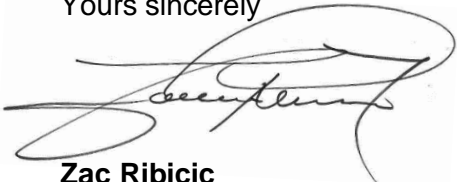

I am writing to advise you of the proposed changes to the structure of the Engineering and Asset Management department, which have the potential to affect your members.

This restructure proposal follows a review undertaken by The Illawarra Shoalhaven Local Health District (ISLHD) of the Engineering and Asset Management department which resulted in identifying several key issues and gaps within the department. The proposed structure will improve the scope of positions and create greater efficiencies within the department. The proposed changes are outlined within the attached Restructure Plan.

In accordance with the consultative provisions of the Award, you are invited to provide any comments regarding the proposed changes by 15 July 2022.

Alternatively, if you have any queries regarding this notification, please contact Ms Kathryn Farr, Workforce Support Manager, Workforce Operations via email Kathryn.Farr@health.nsw.gov.au or on 0477 378 163.

Yours sincerely

Zac Ribicic
Director Engineering and Asset Management
