

Dietician update March 2023

Dear Member,

The HSU Dietitian Committee is seeking expressions of interest from Dietitians and Senior Dietitians who are HSU members and work in the NSW Public Health system.

The Committee is ready to explore Award and other industrial issues impacting Dietitians across the state. We need your input. Play your part in ensuring that your workplace rights and conditions are improved by joining the Committee.

The identified priority areas of the committee thus far are:

- Developing a consistent state-wide process for HSU members to access personal regrade committees.
- Improving professional recognition and resourcing for Dietitians within public health.

If you would like to join the Committee, please write to the below email to express your interest.

If there is a collective issue impacting Dietitians that you'd like the Committee to explore or issues you'd like placed on the agenda for the next Committee meeting, please contact HSU Industrial Officer Anam Rafi on anam.rafi@hsu.asn.au.

For non-members, now is the time to join the HSU and stand up for better conditions. You can join using this link: <https://www.hsu.asn.au/join>.

In unity,

Gerard Hayes
Secretary, HSU NSW/ACT/QLD
