

Dietitians Update November 2022

Dear Member,

The HSU Dietitian Committee did not meet during the month of October due to unavailability of Committee members. As a result, election of leadership positions could not take place.

The Dietitian Committee will decide on the regularity of their meetings to discuss key issues in the Awards covering Dietitians as well as industrial and collective issues impacting the profession at the next meeting.

Your Committee is also seeking expressionz of interest from Dietitians and Senior Dietitians who are HSU members and work in the NSW Public Health system.

The Committee is ready to explore award specific issues impacting Dietitians across the state and need your support. Play your part in ensuring that your workplace rights and conditions are improved by joining the Committee. The identified priority areas of the committee thus far are:

- Developing a consistent state-wide process for HSU members to access personal regrade committees.
- Improving professional recognition and resourcing for Dieticians within public health.

If you would like to join the Committee, please write to the below email to express your interest.

If there is a collective issue impacting Dietitians that you'd like the Committee to explore, or issues you'd like placed on the agenda for the next committee meeting, please contact HSU Industrial Officer Anam Rafi on anam.rafi@hsu.asn.au

Do you know someone who isn't an HSU member? Encourage them to join our Union today and have a say at work. We are always stronger when we stand together.
