Dear Mr Hayes,

I refer to previous correspondence dated 1 August 2023, where the HSU was informed of the proposed changes to the to the General Managers Unit (GMU) within the Drug Health Service, South Western Sydney Local Health District (SWSLHD).

As a part of the consultation process, employees and the HSU were provided an opportunity to comment on and provide feedback on the proposed changes.

Please be advised that the consultation period has now concluded. The GMU, currently in the Community Health Centre at 7 Levuka Street in Cabramatta will be relocating to 1 Bolger Street in Campbelltown. It is anticipated that this co-location will see efficiency gains and greater opportunity for partnership. This will also provide a purpose-built space for the service and give space for team growth in the future.

Communication with employees about the proposed date of relocation, being 8 January 2024, has commenced. Letters have been issued to those employees affected by these changes.

Thank you for your continued support.

Yours sincerely

**Mick Rowles**  
General Manager  
Drug Health Service
