Dear Mr Hayes,

Re: Tamworth Linen Service Temporary Roster Changes Status Update

I refer to our initial letter sent out to HSU dated 10th June 2021, advising you of temporary roster changes at Tamworth Linen Service which have been required following the installation of new dryers in February/March 2021.

This letter is to provide you an update on above situation, following a meeting took place between Tamworth Linen and HSU representatives on 22nd June 2021.

Below are the key points discussed during the meeting:

- HealthShare NSW will continue to meet HSU on a weekly basis to provide an update on the recovery plan.
- Tamworth Linen Service confirmed that driver rosters are now posted two weeks in advance.
- Tamworth Linen Service confirmed a meeting was conducted with drivers to discuss their preference on notice period related to changes in their respective shifts. It was confirmed, all drivers are happy to be contacted less than 24 hours prior to rostered start time to request earlier start. We will continue to meet with the drivers to provide a weekly update on progress toward return to BAU
- Tamworth Linen Service is continuing to use Spotless Laundry to supplement production as part of the recovery plan whilst vacancies are being filled.
- Recruitment is underway with interviews being held this week and next
- Tamworth Linen Service is continuing to make steady progress toward a return toward usual driver rosters. At this point a date is unable to be confirmed.

Should you have any questions or further concerns, please contact Melanie McConnachie, Operations Manager, on 0436 358 790.

Yours sincerely,

Kevin Prasad
