Re: Notification of Workplace Change – Upper
Hunter

26 February 2024

Dear Mr Hayes

I am writing to advise you that following the resignation of the Site Supervisor for Denman Multipurpose Service and Murrurundi - Hunter Valley Community Health Service, a review is to be conducted to determine what supervisory model would best serve the upper hunter region.

Impacts to current employed staff are not anticipated at this time however, throughout this review period, HSNSW will be engaged in regular consultation with staff and the Health Services Union (HSU).

In-person discussions have begun to gather insights regarding optimal supervisory arrangements from the existing Site Supervisors at Muswellbrook & Murrurundi Hospital, Denman Multipurpose Service and Murrurundi - Hunter Valley Community Health Service and Scone Hospital, with further discussions to be held.

HealthShare NSW is committed to consultation with HSU and our staff of the impact of this change, therefore if you have any questions, please contact Tiffany Hale, HR Business Partner via Tiffany.Hale@health.nsw.gov.au or 0437 634 595.

If you have any questions regarding any of the above, please do not hesitate to contact me.

Sincerely,

Rick Forrest
