Dear Mr Hayes

## **Work Location Change**

I am writing to advise you of proposed change to an Administration Support Role Waitlist Coordination position within the Mid North Coast Local Health District at Wauchope.

The position which currently sits within the Wauchope District Memorial Hospital peri-operative staff profile will be transferred to the Port Macquarie Base Hospital surgical bookings staff profile. This purpose of this realignment is to consolidate the capability and skillset of surgical bookings as we transition into a centralised network-based model.

The role will be relocated from Wauchope District Memorial Hospital. This is to enhance team collaboration and build capability across the team to support one another in the collaboration of outcomes.

Discussions have been held with the incumbent. It is anticipated these changes will commence from Monday 18 March 2024. This was agreed by the incumbent in a discussion held on Wednesday 13 March 2024.

Should you require further information please contact Wayne Southern, Executive Officer at Wauchope District Memorial Hospital, on 6580 8007 or via [wayne.southern@health.nsw.gov.au](mailto:wayne.southern@health.nsw.gov.au).

Sincerely

**Jo Campbell**  
Acting Coordinator Hastings Macleay Clinical Network
