

Health Education Officer Update November 2022

Dear Member,

October was an exciting month for the Health Education Officers (HEOs) Committee. The Committee convened on 24 October and formally endorsed the Terms of Reference and elected the leadership positions for the Committee.

Your elected Committee leadership are:

- Secretary: Wendy Roberts
- Deputy Secretary: Andrew Reid
- Chairperson: Gabriela Martinez
- Deputy Chairperson: Alejandra Martinez

Now the important work begins as your Committee maps out the future for the profession, including identifying the priority areas which will make the biggest improvement to your working life.

A key priority already identified is improvement of the current Award, which is extremely out of date, the Committee will map out Award issues which need to be reformed over the coming months, some prominent issues include:

- Grading
- Career Progression
- Portability of grades
- Grading Committee reform
- Team Leader Allowance
- Overtime
- Consultation clauses

Once again, we are putting the call out to any interested HEOs – play your part in improving your workplace conditions! If you are interested in joining the Committee and standing up for your profession, please email blake.adair-roberts@hsu.asn.au.

The Committee members have expressed a call for more regional and rural representation on the Committee.

Do you know someone who isn't an HSU member? Encourage them to join our Union today and have a say at work. We are always stronger when we stand together.
