Notification of Relocation of Fleet Car Park at Nepean Hospital Campus

Dear Mr Hayes

I write further to previous discussions in the Nepean Redevelopment Stage 1 Union Specific Consultative Committee (USCC) relating to the temporary relocation of the Nepean Hospital Fleet Car Park.

As may be recalled, the District relocated the Nepean Hospital Fleet Car Park to the P2 Car Park whilst the new CAHMs and TAMs buildings were constructed to facilitate access to Fleet Management staff who were relocated to the Nepean Hospital C Block.

This requirement is now concluded, and I am pleased to confirm that from 5 August 2024, the District has determined to relocate the Fleet Car Park from P2 to P3. This will provide a number of benefits, including increasing publicly accessible car parking spaces in P2.

Whilst staff continue to have access to spaces in the P1 and P5 multi-storey car parks, the District will ensure that car parking spaces remain available in P3 for afternoon and night shift staff.

If you have any questions or wish to discuss this matter further, please contact David Holmes, Manager Industrial / Employee Relations via David.Holmes@health.nsw.gov.au.

Yours sincerely

Adam Quested
