Dear Mr Hayes,

RE: Mid North Coast Local Health District – Relocation Child and Adolescent Mental Health Service

I am writing to advise you of the proposed relocation of Coffs Harbours Child and Adolescent Mental Health Services and Safeguards team from Headspace, 35 Little Street Coffs Harbour to Coffs Harbour Health Campus.

To ensure the proposed changes have the input of employees, consultation is being planned, in line with the consultative provisions of the Health Employees Conditions of Employment (State) Award. Staff were informed of the consultation has commenced and have been encouraged to provide feedback to Sarah Fox District Manager Perinatal, Infant, Child and Youth Mental Health Programs via email sarah.fox3@health.nsw.gov.au

A further consultation meeting will occur in March to provide staff with the opportunity to discuss the proposed relocation with the opportunity to discuss transition timelines with the teams. We will continue provide staff and the Health Services Union with information and opportunity to provide feedback.

If you wish to provide feedback during the consultation period, or have questions regarding the relocation please contact Sarah Fox on 0447 437 073 or via email sarah.fox3@health.nsw.gov.au

Yours Sincerely
