Dear Mr Hayes

I refer to the consultation meeting attended by the Health Services Union on Tuesday 8 June 2021 attended by Ms Eileen McEvoy. I now write to advise and provide you with a copy of the restructure plan for the proposed changes associated with the workforce restructure of Facility Support Services in Coledale District Hospital, which has the potential to affect staff covered by the Health Services Union.

This restructure proposal is as a result of safety and industrial concerns raised by staff and the union which prompted a review of the Facility Support Services in Coledale District Hospital. A copy of the restructure proposal is attached.

I confirm that in accordance with Clause 35 of the Health Employees Conditions of Employment (State) Award 2019, genuine consultation has commenced in respect to the proposed changes with all employees of Coledale District Hospital directly impacted by the restructure proposal.

Management are available to meet with local officials to discuss the proposal as required throughout the consultation period. Should this be required please have the relevant official contact Ms Nicol Sali, Workforce Support Manager on 4253 4213 or at [Nicol.Sali@health.nsw.gov.au](mailto:Nicol.Sali@health.nsw.gov.au) to arrange a mutually agreeable time.

Please provide any comments or feedback in response to the proposed changes in writing to Ms Sali at [Nicol.Sali@health.nsw.gov.au](mailto:Nicol.Sali@health.nsw.gov.au) prior to the consultation period closing on Thursday, 24 June 2021.
