Dear Mr Hayes,

**Re: Proposed Transition of Collaborative Commissioning and Virtual Care Business Units**

I am writing to formally advise you of a proposed transition of Collaborative Commissioning and Virtual Care Business units into System Performance Support Branch all within Health System Support Group. We will be meeting with corporate staff on 13 February 2023 to discuss this proposal.

The proposed transition of Collaborative Commissioning and Virtual Care teams to System Performance Support Branch will support greater synergies to achieve objectives of the Future Health Strategy.

We will enter consultation with the impacted staff members and will provide two (2) weeks for staff members to provide feedback to be considered before any final decision is made on the way forward. The employees have up to 25 February 2023 to provide their feedback on the proposed changes.

We want to assure you there will be no job losses or affected employees as a result of this process.

As part of the consultation process, we welcome your views on the implementation of the proposed transition.

I have attached an information pack for your convenience which includes the current and proposed structure relevant to these business units.

Should you have any questions, please contact me on 0409 515 695 or [carmen.pereira@health.gov.nsw](mailto:carmen.pereira@health.gov.nsw).

Yours sincerely,

*Carmen Pereira*
