Dear Mr Hayes

I am writing to provide you with a copy of a restructuring proposal for our Clinical Governance, Risk, Safety and Quality Portfolios, that will impact staff in positions covered by the Health Services Union (HSU).

The proposal has been officially communicated to the relevant position holders and local officials on **26 October 2023**.

I wish to confirm that, in accordance with section 35 of the Health Employees Conditions of Employment (State) Award, we are committed to genuine consultation regarding the proposed changes. The South Eastern Sydney Local Health District (SESLHD) is prepared to meet with local union officials to discuss this proposal in depth.

In the event that such a meeting is required, I kindly request the relevant union official to inform Deborah Shea, our Lead Human Resources Business Partner for Mental Health Services, via email at Deborah.Shea@health.nsw.gov.au. Please include details such as their availability, the names of the union attendees, and the specific concerns they wish to address during the discussion.

Should you require any further information in relation to this matter, please do not hesitate to contact Deborah Shea, Lead Human Resources Business Partner on Deborah.Shea@health.nsw.gov.au

Yours sincerely

Chris Hay
