

Mr Gerard Hayes
Secretary
Health Services Union

Delivered via email: secretary@hsu.asn.au

Dear Mr Hayes

I am writing to advise you of the proposed re-classification of several Technical Assistant, Grade 1 and 2 positions within Liverpool Hospital, South Western Sydney Local Health District (SWSLHD), which will directly affect some of your members.

These proposed changes have now been approved in-principle by the Chief Executive, SWSLHD, and also includes changes in reporting lines which will improve alignment and delivery of services through a revised corporate services operating model. These changes are outlined within the attached Change Management Plan and is not expected to result in any job losses.

Before final approval for these changes are sought, we are seeking the input of workers and the Health Services Union (HSU), in line with the consultative provisions of the Health Employees Conditions of Employment (State) Award 2019.

Although local discussions with employees have commenced, these proposed changes will be outlined at two (2) meetings with affected employees, those who will transition to the General Services Department and Sterilisation Services Department respectively. These meetings will also be an opportunity to clarify any aspects of the proposed changes and promptly respond to any initial questions or concerns raised.

Once these have been arranged I will extend an invitation to the relevant local HSU representative to attend. Please note that after the meeting with employees, we will also schedule time to allow employees to meet with your nominated representative.

While I do not anticipate complex issues or disputes to arise following this, I note a Union Specific Consultative Committee will be formed, if and when required.

Should you require any further information, please do not hesitate to contact me via telephone on 02 8738 6306 or via email at Grant.Isedale@health.nsw.gov.au.

Yours sincerely

Grant Isedale
Director, Corporate Services
