Mr Gerard Hayes
Secretary
Health Services Union
Level 2 109 Pitt St
Sydney 2000

Dear Mr Hayes

Car Parking Lithgow Hospital.

I am writing to you to advise of a change to the car parking arrangements at the Lithgow Hospital campus.

The Lithgow Hospital campus has a number of services on that site and the car parking needs to be managed to ensure there is safe entry to and exiting from the site and parked cars are not obstructing the normal traffic flow. It is now proposed as from 1 September 2022 there will be 74 existing car spaces that will have a 3 hour limited parking period from 8.30 AM to 1.00 PM Monday to Friday.

The overall number of car parking spaces will not be reduced.

The new arrangements will allow for greater access to the site for staff, patients and visitors.

The affected car parking spaces are clearly identified and an infringement notice will be issued for any vehicles that are parked contrary to the three (3) hour limit. However until 1 September infringement notices will not be issued in respect of the identified three (3) hour parking locations.

Any vehicles parked contrary to other existing parking notices will continued to be issued with the infringement notice.

Should you wish to make any comment on the proposed car parking arrangements please notify me by Friday 12 August 2022.

Please contact me on 4734 1537 or email at Gregory.Driver@health.nsw.gov.au if you have any enquiries in relation to this matter.

Yours sincerely

Greg Driver
