Dear Mr Hayes

RE: Changes to the Developmental Disability Health Service

I am writing to advise you of proposed changes to the Developmental Disability Health Service in Child, Youth and Family Services, Population and Community Health in SESLHD which has the potential to affect your members.

Ongoing increased clinical demand for paediatric services and changes to models of care for clients with an intellectual disability, requires the Developmental Disability Health Service to adapt and make necessary changes to meet community demand.

A Restructure Consultation Document is attached for your review and formal consultation will commence in accordance with section 35 of the Health Employees Conditions of Employment (State) Award. Genuine consultation will occur with respect to the proposed changes.

SESLHD are available to meet with local officials to discuss the proposal. Should this be required, please advise Ms Louise Johnson, Manager Human Resources Advisory Services at louise.johnson@health.nsw.gov.au of availability to meet within 5 working days from the date of the letter.

Should you require any further information in relation to this matter, please do not hesitate to contact Ms Johnson on 0408976555.

Yours sincerely

Dr Marianne Gale
Director Population and Community Health
