Dear Mr Hayes,

I write to provide you an update on the rollout of DeliverEASE at Balmain Hospital.

DeliverEASE is intended to commence implementation from mid-November 2023.

After consultation across the facility, Balmain Hospital is recommending implementing a 'Ward-centric' model (rather than a 'Dock-centric' model). This is a change in practice for Balmain Hospital, but the facility remains committed to working with our staff to ensure this change is managed and sustained.

HealthShare's DeliverEASE team will be coming to Balmain Hospital for a 'Town Hall' meeting with our staff from 11:30am-12:30pm on Thursday 9 November 2023 to provide further information regarding the rollout of DeliverEASE. Mr Kerley, as the organiser, is welcome to attend this meeting. It will be held in the Balmain Hospital Boardroom.

If you require further information, please do not hesitate to contact Grace Scott, Acting General Manager, Balmain Hospital, on 9395 2003 or via email (Grace.Scott@health.nsw.gov.au).

Yours sincerely,

Lou-Anne Blunden
Acting Chief Executive
