Centenary Hospital for Women and Children - Staff Accommodation Arrangements

I write in accordance with consultation provisions outlined in G1 of the ACTPS Enterprise Agreements (P159 of the Nursing and Midwifery Agreement; and O130 of the Medical Practitioners Agreement), regarding the changes to the accommodation arrangements for clinical and non-clinical staff located in the Centenary Hospital for Women and Children (CHWC).

Following the consultation process previous completed in April 2021 regarding temporary accommodation arrangements for staff whilst the CHWC Expansion Project was being completed, we now provide for your review and feedback the attached current Consultation Paper. The paper describes the relocation arrangements following the completion of this refurbishment.

Consultation for these arrangements opens today, Tuesday 1 November 2022 and **will close 5pm on Friday 11 November 2022.**

Any feedback may be provided via email to CHS.CHEunionforums@act.gov.au and will be treated in confidence.

As part of this consultation process, we will be including staff forums over the coming weeks.

Yours sincerely

Susan Frieberg
