RRM	Rapid Response Morning	08.00 to 16.30
RRE	Rapid Response Evening	13.30 to 22.00
PM	PACER Morning	08.00 to 18.30
PE	PACER Evening	14.00 to 00.30

How the roster works:

- All staff work the set shifts across a line for a 28-day period, either in the Rapid Response or PACER sections.
- At the end of 28 days all staff drop down one line, remaining within either the Rapid Response or PACER sections.
- The staff who fall on a leave line will be allocated the shifts of their colleagues who are taking leave. If no one is taking leave, then a basic roster is indicated in italics for the staff on the leave line. PACER shifts will only be backfilled by staff who are suitably trained.
