Re: Notification of Restructure – Patient
Transport Service

18 July 2023

Dear Mr. Hayes,

I am writing to inform you about HealthShare NSW's proposed restructure of the Patient Transport Service management team within the System Service Delivery Directorate.

The restructure will support the Patient Transport Service to better cater to the needs of our customers and patients in alignment with the HealthShare NSW Strategic Plan.

Amendments to the organisational structure will assist the Patient Transport Service by:

- Encouraging greater collaboration between Patient Transport Service teams
- Supporting Operational Managers to adopt a more strategic approach
- Increasing the number of clinical staff within hubs to better support patient care

We are proposing to establish 35 new positions, which will affect 34 of our current staff members.

We have scheduled a meeting on 19 July 2023 at 11:30 am to announce the planned restructure. We understand the importance of engaging with our staff during this process, and we are committed to consulting with them and also with HSU about the impact of these changes.

If you have any questions or concerns, or to arrange for a USCC to be convened, please contact Garth Worboys, Executive Director, System Service Delivery on 0436 655 765.

Sincerely,

Carmen Rechbauer
Chief Executive
HealthShare NSW
