

## Pharmacy Update November 2022

Dear Member,

Your Union's Pharmacy Industrial Advisory Committee met in October to continue the challenging and important work to improve your industrial conditions.

During the October meeting, the Committee set timelines for certain aspects of the project so that we can provide to the wider membership and get endorsement directly from you. The Committee intends to have a full update ready for a state-wide member meeting in February 2023 on the following areas:

1. Award modernisation proposals.
2. Award reform of conditions.
3. Improved grading structure.
4. Work value research.
5. Workforce mapping.

The Committee also discussed the issue of overtime because your Union has become aware that it is commonplace within Pharmacy for overtime to not be remunerated correctly.

If you are working beyond your contracted hours and not being paid overtime, then we encourage you to contact your Union on the details below.

We need your input! If you have any issues you'd like to raise or wish to join the Committee, please contact [blake.adair-roberts@hsu.asn.au](mailto:blake.adair-roberts@hsu.asn.au).

**Do you know someone who isn't an HSU member? Encourage them to join our Union today and have a say at work. We are always stronger when we stand together.**
