

Physiotherapy Update November 2022

Dear Member,

Your Physiotherapy Industrial Committee could not hold a meeting in October due to not meeting quorum. This will not stop the momentum we are trying to build to improve your industrial conditions.

If you are passionate about your profession and want to see changes to make it a better profession to work in, please sign up to be a part of the Committee and be the change you'd like to see.

Over the next month's Committee meetings, the focus will turn to collating the Award-related issues affecting Physiotherapists and developing proposals for reform and modernisation of out-of-date awards.

If you have anything you'd like the Committee to discuss or wish to join the Committee, please contact blake.adair-roberts@hsu.asn.au.

Do you know someone who isn't an HSU member? Encourage them to join our Union today and have a say at work. We are always stronger when we stand together.

New members can join at www.hsu.asn.au/join or call 1300 478 679.
