## WE DESERVE A WAGES OFFER NOW!

## Dear Ramsay Health Care,

We the undersigned support services, clerical, and health professionals staff demand better. We've gone over 16 months without an increase to our wages. Yet, in your FY2022 report, Ramsay Group boasts a global **\$379 MILLION net profit!** So why are you refusing to put a pay increase on the table? It's time for Ramsay to stop putting profits before people. We demand a wages offer now.
