Industrial Relations Forum Membership

**Union Engagement Forum – Canberra Hospital Expansion Project,  
Critical Services Building**

Canberra Health Service is seeking to establish a dedicated information and engagement forum for the Canberra Hospital Expansion Project, Critical Services Building (CHE-CSB) (formerly referred to as SPIRE).

These forums which will be known at the 'CHE-CSB Industrial Relations Forum', will:

- be in addition to the current quarterly CHS Union Forums;
- initially be held on a bi-monthly basis;
- have membership that includes those unions who make up the membership of the existing CHS Union Forums; and
- have meetings held on the Canberra Hospital Campus.

We are scheduling the first of these forums in the week commencing the week of 14 December 2020 and a meeting invite will be sent shortly with details. If you are unable to attend, I would encourage you to send a representative.

I appreciate your involvement in our forums and if you have any queries regarding the new CHE-CSB Industrial Relations Forum, please contact Ceinwyn Whittaker at [ceinwyn.whittaker@act.gov.au](mailto:ceinwyn.whittaker@act.gov.au).

Yours sincerely
