## I support private pathology workers!

Scan the QR and stand up for private pathology workers

Tell their employers it's high time to start showing private pathology workers respect by adding your name to the below petition and saying "Yes! I support private pathology workers!".

A shocking 88.7% of private pathology workers who responded to a recent HSU survey said they felt the pathology sector **“does not value or respect the work employees perform”**.

It's time pathology workers are valued. Get involved by scanning and signing today and let's start **changing the sector for everyone**.
