

HSU CLAIMS SUMMARY

1. Professional Recognition and Support:

- \$100 Allowance per hour of required CPD and 7 days leave to complete CPD each year.
- Employers reimburse mandatory registration and licenses, e.g., AHPRA, radiation license and working with children's check.
- Higher qualification allowance payable for employees with an AQF8 – AQF 10.
- Clear entitlement to ongoing professional support and supervision.
- HSU Scope or practice review and increased Educator roles.

2. Workload, staffing and hours of work:

- Fair workload and staffing provisions.
- Improved recognition of unpaid work beyond contracted hours (paid overtime).
- Mandated access to safe and appropriate rooms for clinical services and professional support.
- Enforceable workload review rights.

3. On-Call and penalties:

- Increase on-call allowance to match Nursing on-call rates.
- Minimum payment of 3 hours overtime for remote on-call clinical work.
- Minimum payment of 1 hour overtime for remote on-call support recalls providing professional support to another clinician.
- Increase night shift penalty to 50% for hours worked between 9pm – 6am.
- Improved consultation around introduction of night shift.

4. Clear career progression:

- New and consistent re-grade committees with clinicians on all committees.
- Personal re-grades available for all clinical levels.
- Personal re-grades must be actioned and resolved in set time frames.
- Personal regrades cannot be blocked because "funding not available".
- Grading committees can review and make recommendations on positional misclassification of roles.
- Improved sole practitioner allowance.

5. No member worse off as a result of Award reform.
