Western Sydney Carpool

Dear Members,

Western Sydney Carpool for Westmead and Blacktown Hospitals has approached the HSU regarding a carpool system for hospital staff.

Please read attached flyer and provide any feedback to HSU organisers:

Craig Faber email: craig.faber@hsu.asn.au or

Lee Papas email: lee.papas@hsu.asn.au

Yours sincerely,

A handwritten signature in black ink, which appears to be 'Gerard Hayes'. The signature is fluid and cursive, with a large initial 'G'.

Gerard Hayes
Secretary, HSU NSW/ACT

New Carpool Staff Parking at Westmead and Blacktown Hospital

Western Sydney Carpool The smart way to travel

Westmead and Blacktown Hospital invites staff to join the Western Sydney Carpool.

Register on the free website www.wscarpool.org or via the free mobile app (search for **NSW Carpool**) either on or before **9th August 2013**, and you'll be in the running to **win a \$30 Fuel Voucher**.

Westmead and Blacktown Hospital announce some changes to the use of their Western Sydney Carpool branded parking from **1st July 2013**.

Hospital staff, registered with Western Sydney Carpool, and carpooling with one or more other staff members, will receive a special Western Sydney car sticker to allow parking in the branded carpool spaces in the staff car park (subject to availability).

NB: being a registered member of WS Carpool and to have designated marked parking space for vehicle(s) does not exempt the vehicle owner from paying the car park fee applicable to staff members.

So why wait? Join today at www.wscarpool.org and save!!

Why Carpool? Carpooling can help you:

- save money on fuel, tolls and parking
- reduce wear and tear on your car
- enjoy priority parking at selected locations
- reduce your carbon footprint
- stress less by sitting back and enjoying a ride to work

A secure database will 'match' commuters with similar travel arrangements. Registration to participate is free. All you need to do is log on to the system either via website or mobile app, create a personal profile and then allow the system to search for others with similar travelling needs, living within a 2.5 kilometre radius of your home travelling to the same destination suburb or organisation.
