The transition will be:

Existing Grade 2 and Grade 3 Therapists move to the new oral health therapist scale based on years of service to a maximum of Level 2 Year 4.

Existing Community Dental Health Programs Officers move to Level 3 of the new oral health therapist scale based on years of service.

New positions of Level 3 or Level 4 will be advertised based upon the broader scope of work of the oral health therapist. If these are unable to be filled by suitably qualified applicants, consideration will be given to re-advertising the position(s) with single registration criteria.

There will be no new appointments to the classification of Community Dental Health Programs Officer or Dental Therapist Tutor.
