Scalabrini: It’s time to have your say!

Dear Member,

Soon you will be asked to vote on a new Enterprise Agreement. The HSU has been negotiating on your behalf and we’ve secured many positive improvements. However, management have not agreed to all our proposals and some of the changes could affect some people negatively.

Attached is the proposed Agreement. You will have the final say on it when you are asked to vote ‘yes’ or ‘no’. If a majority vote ‘yes’ the Agreement will be accepted. If a majority vote ‘no’ the HSU will return to the bargaining table and continue to represent members. The vote will be held online from 30 April until 6 May.

HSU members are encouraged to contact the union if you have any questions about the proposed Agreement. If your colleagues are not yet HSU members, encourage them to join today at so that they can get informed and be represented by the union. They can join online at www.hsu.asn.au/join or by calling 1300 478 679.

Your wage offer

Management are proposing a minimum 1.8% wage increase per year, for three years, for all staff.

Currently, most pay rates at Scalabrini are slightly higher than other providers in the sector who are covered by the ‘Aged and Community Services Australia’ (ACSA) template Agreement. Scalabrini want to move your pay rates to be aligned with the ACSA Agreements. To do this, they are offering a 1.8% wage increase until the ACSA rates catch up to yours. After that, you would receive a 2.4% wage increase.

We strongly encourage all members to review the classification and pay table to see what the proposed wage increase means for you. If HSU members have any questions, please contact the union for assistance.

Your conditions at work

Several changes are proposed in the EA, so take your time to understand how they will impact you. Some of the key changes are outlined below.

Positive changes

- Easier access to an additional week of Annual Leave for shift workers, meaning more staff will receive extra leave each year.
- New classification of CSE 2 Level 2 – providing increased pay for a CSE 2 with a Cert III, working in the care stream for 2 years.
- Increased paid parental leave for partners, from 1 week to 2 weeks.
- Better support for staff suffering family or domestic violence, with paid leave available.
• A better process about workload management that improves how issues are dealt with.
• New leave to support employees who are victims of a natural disaster.

Negative changes

• Reduced Long Service Leave accrual rates once staff have 10 years of service, bringing them in to line with NSW legislation.  
  Note - We have successfully argued for current staff with at least 5 years’ service to have the current system preserved, however this will impact staff with less than 5 years’ service and any new staff.
• Review of hours for part-time staff reduced from once every 6 months, to only once per year.
• Removal of paid public holidays for full-time shift workers, who are not rostered to work on the holiday.

This is your Agreement, so make sure you have a good understanding of what it means for you. Any HSU members with questions are encouraged to contact the union for assistance in understanding the proposal and anyone who is not yet a member can join online at www.hsu.asn.au/join or by calling 1300 478 679.

Make sure you understand your agreement and remember to have your say when the voting opens on 30 April.

In unity,

(d) If an employee provides documentary evidence of other previous relevant service or experience not disclosed at the time of commencement after the said 3-months period, the employee shall be paid a rate appropriate for the previous relevant service or experience then proved, but only from the date of providing that evidence to Scalabrini Village.

(b) An application for re-grading by an employee must be made in writing.

(c) Scalabrini Village must respond to the request in writing within 3 weeks, indicating whether the application is approved or denied. Where denied the response must provide reasons.

(d) Changes in work by themselves may not lead to a change in an employee’s substantive classification. Factors with a bearing on the decision may include whether the changes:

(i) involve the exercise of skills, responsibility and/or autonomy normally undertaken at a higher classification;

(ii) are permanent or temporary; and/or
(iii) involve work at a higher classification or not (e.g. simply performing more work at the same classification or different work at the same classification would not qualify for re-grading)

11.9 National Criminal History Record Check

(a) It is a condition of employment that employees, contractors and volunteers, who have, or are reasonably likely to have access to care recipients undergo a National Criminal History Record Check, commonly known as a Police Check on commencement of employment and at any other time as directed by Scalabrini Village.

Periods of leave without pay, including parental leave without pay, do not break the continuity of service of an employee but are not to be taken into account in calculating length of service for the purposes of this clause.

32.2 Redundancy occurs where Scalabrini Village has made a definite decision that Scalabrini Village no longer wishes the job the employee has been doing to be done by anyone and this is not due to the ordinary and customary turnover of labour.

32.3 Transfer to lower paid duties

Where an employee is transferred to lower paid duties by reason of redundancy, the same period of notice must be given as the employee would have been entitled to if the employment had been terminated and Scalabrini Village may, at Scalabrini Village’s option, make payment instead of an amount equal to the difference between the former ordinary time rate of pay and the ordinary time rate of pay for the number of weeks of notice still owing.

32.4 Employee leaving during notice period

An employee given notice of termination in circumstances of redundancy may terminate their employment during the period of notice. ### 3. CLERICAL & ADMINISTRATIVE EMPLOYEES

#### 3.1 Definition:
The classification criteria in this schedule provides guidelines to determine the appropriate classification level of persons employed pursuant to this agreement. In determining the appropriate level, consideration must be given to both the characteristics and typical duties/skills.

The characteristics are the primary guide to classification as they indicate the level of basic knowledge, comprehension of issues, problems and procedures required and the level of supervision or accountability of the position. The totality of the characteristics must be read as a whole to obtain a clear understanding of the essential features of any particular level and the competency required.

The typical duties/skills are a non-exhaustive list of duties/skills that may be comprehended within the particular level. They are an indicative guide only and at any particular level employees may be expected to undertake duties of any level lower than their own. Employees at any particular level may perform/utilise one such duty/skill, or many of them, depending on the particular work allocated.

The key issue to be looked at in properly classifying an employee is the level of competency and skill that the employee is required to exercise in the work they perform, not the duties they perform per se. It will be noted that some typical duties/skills appear in more than one level, however when assigning a classification to an employee this needs to be done by reference to the specific characteristics of the level. For example, whilst word processing and copy typing are first specifically mentioned at Level 2 in terms of typical duty/skill, it does not mean that as soon as an employee operates a word processor or typewriter they automatically become Level 2. They would achieve a Level 2 classification when they have achieved the level of skill and competency envisaged by the characteristics and the relevant indicative duty(ies)/skill(s) of a Level 2. Level 1 in this structure is to be viewed as the level at which employees learn and gain competence in the basic clerical skills required by Scalabrini Village, which in most cases would lead to progression through the classification structure as their competency and skills increase and are utilised.

#### 3.2 Grades:
All employees shall be graded in one of the following grades and informed accordingly in writing within 14 days of appointment to the position held by the employee and subsequent graded positions.

#### 3.3
An employee shall be graded in the grade where the principal function of his or her employment, as determined by Scalabrini Village, is of a clerical nature and is described in this clause.

#### 3.4 Clerical & Administrative Employee Grade 1

(a) The employee may work under direct supervision with regular checking of progress.

NOTE: See paragraph (f) for calculating the actual minimum wage. See also clause D.4.3 for other minimum wage provisions that affect this paragraph.

(f) **Calculating the actual minimum wage**

(i) If fewer than 38 (or an average of 38) ordinary hours of work per week is considered full-time at the workplace by the employer, the appropriate minimum hourly rate for a part-time trainee is obtained by multiplying the relevant minimum hourly rate in clauses D.4.2(a) to (e) by 38 and then dividing the figure obtained by the full-time ordinary hours of work per week.

(ii) If the approved training for a part-time traineeship is provided wholly off-the-job by a registered training organisation, for example at school or at TAFE, the relevant minimum hourly rate in clauses D.4.2(a) to (e) applies to each ordinary hour worked by the trainee.

(iii) If the approved training for a part-time traineeship is undertaken solely on-the-job or partly on-the-job and partly off-the-job, the relevant minimum hourly rate in clauses D.4.2(a) to (e) minus 20% applies to each ordinary hour worked by the trainee.

D.4.3 **Other minimum wage provisions**

(a) Clause D.4.3 applies despite anything to the contrary in clause D.4.4 or D.3.2.

(b) An employee who was employed by an employer immediately before becoming a trainee with that employer must not suffer a reduction in their minimum rate of pay because of becoming a trainee.

(c) For the purpose of determining whether a trainee has suffered a reduction as mentioned in paragraph (b), casual loadings are to be disregarded.

(d) If a qualification is converted from an AQF Certificate Level II to an AQF Certificate Level III traineeship, or from an AQF Certificate Level III to an AQF Certificate Level IV traineeship, then the trainee must be paid the next highest minimum wage provided in this schedule, if a higher minimum wage is provided for the new AQF certificate level.

D.4.4 **Default wage rate**

The minimum wage for a trainee undertaking an AQF Certificate Level I–III traineeship whose training package and AQF certificate level are not allocated to a wage level by clause D.6 is the relevant minimum wage under this schedule for a trainee undertaking an AQF Certificate to Level I–III traineeship whose training package and AQF certificate level are allocated to wage level B.

D.5 **Employment conditions**
D.5.1 A trainee undertaking a school-based traineeship may agree to be paid an additional loading of 25% on all ordinary hours worked instead of being paid annual leave, paid personal/carer’s leave, paid compassionate leave and paid absence on public holidays. However, if the trainee works on a public holiday, the public holiday provisions of this award apply.

D.5.2 A trainee is entitled to be released from work without loss of pay and without loss of continuity of employment to attend any training and assessment specified in, or associated with, the training contract.

D.5.3 Time spent by a trainee, other than a trainee undertaking a school-based traineeship, in attending any training and assessment specified in, or associated with, the training contract is to be regarded as time worked for the employer for the purposes of calculating the trainee’s wages and determining the trainee’s employment conditions.

D.5.4 The time to be included for the purpose of calculating the wages for part time trainees whose approved training is wholly off-the-job is determined by clauses D.4.2(f)(ii) and (iii) and not by clause D.5.3.

D.5.5 Subject to clause D.2.4, this award applies to a trainee in the same way that it applies to an employee who is not a trainee except as otherwise expressly provided by this schedule.

D.6 Allocation of traineeships to wage levels
