Re: Extra Public Holiday NSW Health Employees 2018/19

I am writing in relation to the proposed date of the extra public holiday over the 2017/18 Christmas/New Year break provided for in NSW Health Awards.

This is to advise that NSW Health Agencies have determined that the preferred date for this public holiday is Monday 31 December 2018. Note that this date does not include employees employed by the Ambulance Service of NSW, the NSW Ministry of Health or covered by the Barrier Industrial Council Agreement, which will make other arrangements.

This is to also advise that HealthShare NSW intend to consult over the additional public holiday on a three year rolling basis, ie, the date would be set for the next three years. I will include this as an agenda item for discussion at the next HealthShare NSW JCC.

Please contact Robert Jarvis at robert.jarvis@health.nsw.gov.au if you require further information.

Yours sincerely,

Paul Gavel
