Dear Mr Hayes

Re: Mid North Coast Local Health District (MNCLHD) Consultation

Further to my advice of 16 March 2018, I write to advise that MNCLHD is currently finalising selection processes relating to the Associate Director – Workforce Operations for MNCLHD.

To prepare for the incoming Associate Director and allow for appropriate corporate knowledge sharing, the attached interim structure is being implemented. The incumbents of the positions highlighted on page 1 of the attached have been consulted on this interim structure and are supportive of its implementation. Staff are being advised of the interim arrangements.

If you would like to meet to discuss this proposal, please do not hesitate to contact me on 02 66 911941.

Please be assured that I will be in contact with you again to consult any future proposals should opportunities be identified for improvement in this area of expertise and service delivery.

I look forward to working with you as we move through this body of work and please do not hesitate to contact me if you wish to discuss this matter further.

Yours sincerely
